Michele,

Good morning, I wanted to talk to you to ask you about the status of our AE application, as well as the Class 1 possibility to convert to class 2 of EHP waste water due to EHP Changed from IPP to Cogen; and lastly, the permit application to drill the new well on 1B and 2B location.

If you have a chance to call me or let me know when is the best time to call you today so we could talk.

Thanks,

Sonnie T. Pineda
